

Tshepang Tshwale

About Me:

I am an innovative, creative and a driven individual with a strong work ethic and the willingness to learn. My involvement in various societies and organizations, with reference to sports academy, and other schools and projects that were done University/College, has equipped me with the level of emotional intelligence, collaborative teamwork, and leadership skills needed to adapt easily and thrive in different environments. With this experience, and backed by a degree in BIT Information Technology, I have the capacity, and capabilities and commitment needed to make a positive contribution to any organization. I am passionate about all things creative, and in learning new things. I have an affinity for finding collaborative and innovative solutions for challenges in the areas of sports, media, people, and communications.
